

UT THE UNIVERSITY OF TENNESSEE

UT KNOXVILLE UT CHATTANOOGA UT MARTIN **UT IPS** INSTITUTE OF AGRICULTURE HEALTH SCIENCE CENTER

IPS is the University of Tennessee System's statewide source of outreach to government, business and communities.

County Technical Assistance Service (CTAS)

CTAS provides technical consulting and training to all 95 counties in Tennessee. Areas of consulting expertise include budgeting, county government operations, legal, the environment, public works and geographic information systems.

www.ctas.tennessee.edu

Municipal Technical Advisory Service (MTAS)

MTAS provides technical advice and training to cities and towns across the state: their governing bodies, mayors, city managers, city recorders, and city department heads. It provides this assistance with consultants who specialize in most areas of municipal operations.
